DRY

With Montur, Delta Light offers a highly original interpretation of an archetypical concept: a light source that is contained within the framing of a 3D rectangular or circular shape. The Montur is available in indoor and outdoor versions, as a ground, wall or ceiling fixture, with LED clusters or filament-LED lamps with a rustic look. The series integrates beautifully in both country-classic and contemporary homes, and is suitable for hotels and public buildings as well.

Specification
